Contact Name: <small>Print name of contact for the charitable organization</small>	Phone:
Organization Name:	
Address :	
City, State, ZIP:	

Foundation Objectives

The objectives of the Foundation shall be to bridge the digital divide, especially in the under-resourced communities in which Alliant Credit Union members and employees live and work, through the following:

- Partnering with like-minded organizations to bring technology devices and affordable, reliable broadband to the people who need them most
- Delivering digital skills education to impacted communities
- Calling upon our community leaders for internet accessibility reform

***Disclaimer:** Through grants, the Alliant Credit Union Foundation helps support nonprofits with missions that align with that of the Foundation. The Foundation's focus is to support organizations that foster economic empowerment, and it takes a particular interest in programs and initiatives that promote financial literacy. The Foundation's objectives include bridging the digital divide. All grant applications will be subject to the approval of the Alliant Credit Union Foundation Board. The Foundation reserves the right to refuse or limit the amount of any grant request at its sole discretion. The duration of the review process can vary and is determined by the Board's schedule. Please take this into account if your request has a deadline, and submit it in advance to allow ample time for review.
